MAYOR & COUNCIL UPDATE

Cody residents have an opportunity to safely dispose of unwanted pesticides and household hazardous waste items without cost, thanks to a collaborative effort involving: the Park County Weed and Pest Control District; Park County Regional Landfill; the City of Cody; and the City of Powell. The "no questions asked" disposal program will take place on September 9 from 9:00 AM to 3:00 PM at the Cody Recycling Center on 15th Street. Residents are encouraged to bring household quantities of items like paint, cleaners, pool chemicals, and herbicides (as long as they are not in drums). A "drop and swap" table will also be available for individuals to find and take home usable pesticides and household products with legible labels. Please note that commercial quantities are only accepted if a separate fee is paid, and certain items like medical waste, explosives, and electronics will not be accepted.
