MAYOR & COUNCIL UPDATE

The Park County Travel Council has announced an initiative to provide Meeteetse, Powell, and Cody's downtown areas with new navigational features and signage. New wayfinding signs will be installed by the end of March 2024, offering clear directions throughout Cody. Additionally, a panoramic map in the Elk Plaza will serve as a comprehensive, one-stop guide to our town's shops, sites, and attractions. Four kiosks will also showcase an expanded view of the Cody area, helping to direct foot traffic off the beaten path. These upgrades will improve Cody's accessibility and guide visitors to lesser-known gems in an overall effort to support local businesses and improve consumer experiences in our town.
